# SUBJECT INDEX, VOLUME 138

- Agroecosystems, ground beetles in corn ..... 14
- Alabama, fish host of inflated heelsplitter ..... 48
- Amphibians, distribution in Island Region of Lake Erie ..... 153
- Amphibiocapillaria trionispunctati*, infection in red-spotted newt ..... 408
- Behavior, lek breeding in fallow deer ..... 276
- pairing of armadillo ..... 290
- Birds, activity of trumpeter swan ..... 208
- habitat selection of cedar waxwings and eastern kingbirds ..... 344
- nut caching by blue jays ..... 357
- Bison bison*, effects on woody vegetation ..... 189
- Bombicilla cedrorum*, habitat selection, nest site and success ..... 344
- British Columbia, seed weight variability of antelope bitterbrush ..... 306
- Bromus tectorum*, seed density, germination and establishment ..... 322
- California, dendrochronology of torrey pine ..... 237
- Canis latrans*, population characteristics ..... 197
- Caves, organic pollution effects on macroinvertebrates ..... 387
- Chrysemys picta bellii*, growth, size, sexual dimorphism ..... 174
- Cirsium vinaceum*, aquatic seed dispersal ..... 215
- Colorado Plateau, demography and life history of kachina daisy ..... 109
- Cyanocitta cristata*, nut caching ..... 357
- Cygnus buccinator*, winter to spring activity ..... 208
- Dama dama*, lek breeding ..... 276
- Dasyus novemcinctus*, mortality ..... 299
- pairing behavior ..... 290
- Dendrochronology, torrey pine ..... 237
- Dreissena polymorpha*, invasion of lake-outlet streams ..... 29
- Ecology, animal, amphibian and reptile distribution ..... 153
- coyote populations ..... 197
- deglaciation effects on pearly mussel ..... 37
- dispersal of young in red squirrel ..... 252
- effects of bison on woody vegetation ..... 189
- effects of flooding on *Peromyscus leucopus* ..... 260
- ground beetles in agroecosystems ..... 14
- growth, size and sexual dimorphism in painted turtles ..... 174
- habitat selection by darkling beetle ..... 230
- habitat selection and nesting of birds ..... 344
- harvester ants, seed removal ..... 1
- habitat selection and nesting of birds ..... 344
- invasion of streams by zebra mussels ..... 29
- lamprey taxonomy and distribution ..... 69
- lek breeding in fallow deer ..... 276
- macroinvertebrate community response to floods ..... 371
- masked shrew abundance, diet and prey selection ..... 268
- mortality of armadillo ..... 299
- nut caching by blue jays ..... 357
- predation by diamondback terrapin deterred by snail shell strength ..... 224
- urbanization effects on fish ..... 55
- Ecology, plant, demography and life history of kachina daisy ..... 109
- dendrochronology of torrey pine ..... 237
- floral traits of *Linaria canadensis* ..... 134
- forest succession in Oregon ..... 97
- growth and survival of *Polygonum aviculare* ..... 140
- litterfall and decomposition in deciduous forest ..... 77
- regeneration of sand pine in scrub stands ..... 84
- response to light of honeysuckle and spinebush ..... 331
- seed density, germination and establishment of Indian rice grass ..... 322
- seed dispersal of thistle ..... 215
- seed germination of desert mustard ..... 121
- seed weight variability of antelope bitterbrush ..... 306
- Eleodes hispilabris*, habitat selection ..... 230
- Eriogon kachinensis*, demography and life history ..... 109
- Fish, effects of urbanization ..... 55
- hosts for unionid mussels ..... 402
- Florida, fish hosts for unionid mussels ..... 402
- sand pine regeneration ..... 84
- Ichthyomyzon cf. gagei*, taxonomy and distribution ..... 69
- Illinois, natal philopatry in prairie vole ..... 412
- Ilyanassa obsoleta*, shell strength ..... 224
- Indiana, zebra mussel invasion of lake-outlet streams ..... 29
- Insects, effects of urbanization ..... 55
- ground beetle activity and community ..... 14
- habitat selection by darkling beetle ..... 230
- hydrologic context and response to floods in stream ..... 371
- seed removal by harvester ants ..... 1
- Iowa, litterfall and decomposition in deciduous forest ..... 77
- Invertebrates (other than insects), effects of organic pollution in caves ..... 387
- effects of urbanization on macroinvertebrates ..... 55
- fish host of inflated heelsplitter ..... 48
- pearly mussel redistribution during deglaciation ..... 37
- snail shell strength deters predation ..... 224
- spermatozoa and spermatozeugmata of *Truncatella truncata* ..... 220
- unionid mussels and host fish ..... 402
- zebra mussel invasion of lake-outlet stream ..... 29
- Lesquerella fendleri*, germination ..... 121
- Linaria canadensis*, floral traits ..... 134
- Lindera benzoin*, response to light ..... 331
- Lonicera maackii*, response to light ..... 331
- Malaclemys terrapin*, predation deterred by snail shell strength ..... 224

- Mammals, coyote populations ..... 197  
 effects of bison on woody vegetation ..... 189  
 effects of flooding on *Peromyscus leucopus* ..... 268  
 lek breeding in fallow deer ..... 276  
 masked shrew abundance, diet and prey selection ..... 268  
 natal philopatry in prairie vole ..... 412  
 pairing behavior of armadillo ..... 290  
 red squirrel, dispersal of young ..... 252  
*Microtus ochrogaster*, natal philopatry ..... 412  
 site familiarity and movement ..... 414  
 Minnesota, dispersal of young in red squirrel ..... 252  
 Mississippi River, taxonomy and distribution of lamprey in upper basin ..... 69
- Nebraska, growth, size, sexual dimorphism of painted turtles ..... 174
- Nevada, seed density, germination and establishment of Indian ricegrass ..... 322
- New Mexico, aquatic seed dispersal of thistle ..... 215  
 coyote population ..... 197  
 effects of flooding on *Peromyscus leucopus* ..... 260  
 germination of desert mustard ..... 121
- New York, habitat selection and nesting of cedar waxwings and eastern kingbirds ..... 344
- Notopthalmus v. viridescens*, infected by *Amphibio-  
 capillaris tritonispunctati* ..... 408
- Ohio, ground beetles in corn ..... 14  
 growth and survival of *Polygonum aviculare* .... 140  
 site familiarity and movement of prairie voles .... 414  
 Oklahoma, effects of bison on woody vegetation .. 189
- Oregon, forest succession ..... 97
- Oryzopsis hymenoides*, seed density, germination and establishment ..... 322
- Parasites, *Amphibiocapillaria tritonispunctati* infection in red-spotted newt ..... 408  
 persistence and stability of helminth community in sagebrush lizard ..... 418
- Pennsylvania, abundance, diet and prey selection of masked shrew ..... 268  
 effects of urbanization on fish and macroinvertebrates ..... 55
- Peromyscus leucopus*, effects of flooding ..... 260  
 Physiology, plant response to light of honeysuckle and spicebush ..... 331  
*Pinus clausa*, regeneration ..... 84  
*Pinus torreyana*, dendroclimatology ..... 237  
*Pogonomymex occidentalis*, seed removal in shrub-steppe ..... 1  
*Polygonum aviculare*, growth and survival ..... 140  
*Potamilius inflatus*, fish host of ..... 48  
*Pseudotsuga menziesii*, succession following logging .. 97  
*Purshia tridentata*, seed weight variability ..... 306
- Reptiles, distribution in Island Region of Lake Erie .. 153  
 growth, size, sexual dimorphism of painted turtles ..... 174  
 helminth community of sagebrush lizard ..... 418  
 predation deterred by snail shell strength ..... 224
- Salmo trutta*, effects of urbanization ..... 55
- Sceloporus graciosus*, persistence and stability of helminth community ..... 418
- Sorex cinereus*, abundance, diet and prey selection .. 268
- Statement of Ownership ..... 422
- Streams, hydrologic context, macroinvertebrate community and floods ..... 371
- Tamiasciurus hudsonicus*, dispersal of young ..... 252
- Texas, mortality of armadillo ..... 299  
 pairing behavior of armadillo ..... 290
- Truncilla truncata*, spermatozoa and spermatozeugmata ..... 220
- Tyrannus tyrannus*, habitat selection, nest site and success ..... 344
- Virginia, organic pollution effects on cave macroinvertebrates ..... 387  
 stream hydrologic context, macroinvertebrate community and floods ..... 371
- Wisconsin, pearly mussel redistribution during deglaciation ..... 37
- Wyoming, seed removal by harvester ants ..... 1  
 trumpeter swan in Yellowstone area ..... 208
